Personal Statement

My experience helps me to understand.
My tenacity helps me to achieve.
My communication helps me to inform.
Data drives the results.

I am a very intelligent individual with the ability to adapt and learn in any situation. I have picked up many different skills over the years. I am comfortable being thrown into a situation and working through it to completion. I am very hands on and focused but also work well as a team member. I get enjoyment from attaining both personal and group goals and take the time to celebrate notable achievements.
